Hilltoppers

In September, Cora Trautvetter and her daughters Tami Lechner and Terri McGuffin went with us to The Senior Retreat. We were so glad to have them join us. I got this letter from Terri:

"Thanks so much for planning the trip and including us. I really enjoyed it, sharing the Church service and the shows and the meals. The Hilltoppers are a wonderful, fun group and I am so glad I was able to go. Please tell them how much fun they were and such good people.

Yours in Christ
Terri McGuffin

On Thursday, October 19, fifteen Hilltoppers traveled to Rockport, had lunch at the Rockport Inn and then to The Museum and The Log Cabin Village. We were so glad Cynthia Stevens joined us and Ivan and Diana joined us for lunch. God is so good. Diana went for her after surgery report and got a good report. We are so happy for her. As usual, we had a great time and a beautiful day. The Hilltoppers are a great group and I appreciate them so very much.

I wish everyone the Best as we are getting into the Holiday Season.

Dear North Friendship,

Over the past 11+ years I have served North Friendship as the Administrative Assistant. But as many of you know, I have served this church much longer than that. I have since I was old enough to start serving. I have served under many Pastors over the years and seen many changes in the building structure as well as in the ministries of the church. My family is deeply rooted in this church and its history. I love this church and the people in it.

But as Ecclesiastes 3:1-8 says, there is time for everything. Therefore, it is time for me to move on. I have taken a full-time job as the Receptionist/Administrative Assistant at Fibertech, Inc. in Elberfeld. So when you're going down I64, look to the south and give me a wave or a honk. My last day with North Friendship was Thursday, October 26. I will miss my role here at North Friendship but I'm sure God has someone prepared to fill the position who has fresh ideas and a new outlook on things.

God's Blessings
